Dear Ray,

October 21, 2009

I wanted to take a moment to thank you and the Pennysaver for helping me promote my new restaurant with the ads and the coupons that we have run. Your art department was very helpful in designing all our ads. The photos of our fresh homemade food look great.

Although we are located in Bethel, we have been getting customers from 20 miles away. I love it when the customers tell me where they live. Despite these difficult economic times, the Pennysaver has helped grow my business. Our great food, service, atmosphere and your advertising are the reasons why we have returning customers. For those reasons I am forever grateful to you and the Pennysaver.

Sincerely,
