Dear Steven,

I have used many advertising platforms for McCaffrey Realty Professionals during the past 7 years and have found that I get the most value and response from the Penny Saver. I appreciate how targeted I can be with my message reaching every household in a specific geographic area. I am always amazed at how many people mention that they have seen it. In addition, I always get MORE than I asked for in the way of web presence, superior graphic development or other benefits that I did not expect. I love doing business with a locally owned media source and one who gives so much back to their clients and our community.

Sincerely Yours,

Linda McCaffrey
